Covid Safety Protocol Project

CFDC
Covid Safety Protocol Project

Projects Purpose:

- The Covid Safety Protocol Project will support businesses that are impacted by the economic disruptions associated with the COVID-19 pandemic across Northern Ontario during their continuing/re-opening efforts.
- Will provide businesses with access to capital of up to $5,000.00 in a non-repayable contribution to assist with the costs related to adapting to new or existing (As of March 15, 2020) operating protocols.

Eligibility:

- A SME (Small, Medium Enterprise) ie. retail shops, restaurants, corner stores, etc., and businesses of strategic importance to the community.
- Small and medium-sized enterprises are defined as having less than 500 employees
- Applicant has confirmed and attested that no other funding has been accessed for the same purposes and utilization that the Covid Safety Protocol Project is set out to fund.
- The SME must have been viable as of March 1, 2020.
- SME was Established before March 1, 2020.

Examples of eligible costs for the Covid Safety Protocol Project acquired after March 15, 2020 or prior to June 15, 2021:

- Customer and employee safety installations such as distancing signs for floors
- COVID-19 posters and displays
- Acquisition of barriers
- Widening of aisles,
- Plexiglass and partitions, signage, and other business restructuring or equipment purchases required in support of adaptations that may be required

Examples of Non-eligible costs

- Disposable Personal Protective Equipment

Funding is eligible until June 15, 2021

Up to $5,000.00 non-repayable contribution for the SME applicant if costs have already been incurred or to an independent provider for protocol modifications necessary to conduct business due to Covid-19.

***** Please Note HST will NOT be reimbursed******

Funding will be issued on a continuous intake model to ensure funds are disbursed as quickly as possible.
